The Ginventory

Don't cry over spilt milk....

It could have been gin..

Opihr

This Oriental spiced gin is crafted with a selection of exotic botanicals, including spices & herbs from Indonesia & Morocco.

Perfect pairing~ Fevertree or Fevertree naturally light tonic with a garnish of fresh chilli & lime.

HUNTERS
cheshire
GIN

Hunters

Made with botanicals & apples sourced from the founders own orchard in Cheshire you can't get more local. This top quality spirit is based on a 300 year old secret recipe.

Perfect pairing~ Fevertree tonic or Fevertree naturally light - garnish with a wedge of apple.

GIN MARE

MEDITERRANEAN GIN

Gin Mare

This dry gin has a unique Mediterranean flavour characterising a revolutionary mix of botanicals including olive, basil, rosemary & thyme. Made for the most exquisite of palates.

Perfect pairing~ Mediterranean Tonic & garnish with rosemary and thyme.

FOREST GIN

Forest Gin

Handmade by the Bond family. All botanicals certified organic are broken down by pestle & mortar. A delicious blend of wild bilberries, raspberries and gorse flowers.

Perfect pairing~ Fevertree tonic or Fevertree naturally light with a garnish of blackberries & rosemary.

MOMBASA CLUB
London Dry Gin

Mombassa

A sweet & juicy take on Mombassa club gin's recipe. Featuring strawberries at its core this gin is the perfect summer tipple.

Perfect pairing~ Mediterranean tonic & strawberries.

BROCKMANS
PREMIUM GIN

Brockmans

This distinctive gin is distilled in a 100 year old traditional copper still, where they capture the heart and soul. Rich in flavours of blueberry & blackberry.

Perfect pairing~ Elderflower tonic with a garnish of raspberries and blackberries.

MALFY™

G.Q.D.I.

Malay Con Limone

Malfy gin's key botanicals are lemon peel sourced from the Italian coastline. Full of zesty citrus flavours while still maintaining classic gin flavours.

Perfect pairing~ Mediterranean tonic & lemon.

SHARISH

GIN

Blue Magic

Originating in Portugal. Among the botanicals you can find strawberries, raspberries, cinnamon, cardamon, lemon, angelica root, ginger, liquorice, clear juniper & of course the flower Clitoria ternate that gives the gin its blue tone.

Perfect pairing~ Mediterranean tonic with a garnish of raspberries.

LIVERPOOL GIN

ARTISANAL ORGANIC ENGLISH GIN

Liverpool Valencian Orange

Valencian orange was created by head distiller John O'Dowd to celebrate his sons marriage to Valencia born Clara. Combining organic botanicals with zesty citrus notes of orange.

Perfect pairing~ Fever tree tonic & sliced orange.

Marula pomegranate gin

Marula - The forbidden fruit from the elephant tree, is immediately recognisable, with pomegranate as the second main botanical. The result is a unique tasty gin.

Perfect pairing~ Fever tree tonic or aromatic with a garnish of juniper berries or pomegranate.

McQueens spiced chocolate orange

Orange & chocolate finally meet gin. Dark & fruity, a bit on the spicy side. A grown up favourite in a glass bursting with flavour, the first hit is orange entwined with floral juniper notes ending with rich cocoa enveloping the palate.

Perfect pairing~ Fever tree tonic & orange zest.

Buss no. 509 persian peach

Originated in Antwerp, they have blended the finest herbs & fresh Persian peaches with their premium spirit, to create a beautiful, flavoursome fruity gin.

Perfect pairing~ Mediterranean or original tonic with a garnish of orange & mint.

EDEN.MILL
ST ANDREWS

Love

A unique recipe incorporates 5 core botanicals & eight further exotic flavours. Resulting in a stunning pink coloured gin with a fruity, floral aroma with a red berry & citrus flavour.

Perfect pairing~ Fever tree elderflower & raspberries.

SLINGSBY
RESTORING THE SPIRIT OF HARROGATE

Rhubarb

Using natural spring water from Tewit well in Harrogate and home grown Yorkshire rhubarb, this was meant to be a limited edition small batch but proved so popular it joined the Slingsby gin family for good.

Perfect pairing~ Elderflower tonic with a garnish of mint & raspberry.
